My we did it! What a great day....I hope your ears were burning, we said the words Kids & Clays only about 250 times...without you, this would not have been possible...Tomorrow I go in with my banker and we will "shoot out" the results to you, but I KNOW WE DID BEYOND OUR EXPECTATIONS. I just had to say thank you! thank you! from the bottom of my heart and all the hearts at the

This certainly could not have been possible without the tremendous support and partnership of Kids & Clays. We are truly blessed by Kids and Clays Foundation's generosity and it truly makes this one of our most successful events of the year! Again, on behalf of the families we serve, we greatly appreciate your support, partnership, guidance and friendship!

Given the state of the economy and that so many businesses are cutting back, we truly appreciate everything the Kids & Clays Foundation is able to do to make our event as profitable as possible. We know it has been a difficult year for your organization as well. Thank you so much for your support and friendship. I look forward to working with you again next year.

All in all a great weekend and thank you for your help and support.

Thank you so much. I realize that economic times are not the best for everyone and I appreciate your efforts in continuing to help to provide prizes. The shooters at our events really do enjoy the items. We use them for a silent auction.
